SKILLS

- **Languages:** Python, C, C++, SQL (Oracle, MySQL), JavaScript, HTML/CSS, Java
- **Frameworks:** React, Angular, Spring Boot
- **Libraries:** pandas, NumPy, Matplotlib, Hibernate, JDBC
- **Tools/Platforms:** Git, Maven, VS Code, Dev C++, Google Colab, Jupyter Notebook
- **Soft Skills:** Adaptability, Time Management, Critical Thinking, Leadership, Teamwork, Attention to Detail.

PROJECTS

- Home Depot Recommender System

Technologies: K-Means, Python, Jupyter, Google Colab

Designed a product recommendation system using K-Means clustering to enhance customer experience. Implemented NLP techniques such as TF-IDF and word vectorization for accurate text-based product matching.

- LawAware

Technologies: Gemini API, React, Python, BeautifulSoup, Git, Requests

Developed a law awareness website using React, integrating news scraping from India Today. Integrated the Gemini API with optimized prompt thresholds, providing accurate and dynamic legal content.

- Auto-Completer and Spell Checker

Technologies: NLTK, HMM, N-Gram, Python, Treebank, Reuters

Built an autocomplete system using an N-Gram model to predict words based on input text. Developed an HMM-based spell checker to correct common spelling errors with real-time suggestions. Leveraged NLTK libraries and large corpora like Reuters for accurate language modeling and error detection.

CERTIFICATES

- CS50's Introduction to Programming with Python
- Machine Learning – Stanford University (Coursera)
- The Bits and Bytes of Computer Networking

ACHIEVEMENTS

- Open Source Contributions – Contributed to NASA Space Apps Challenge, improving functionality and collaborating on open-source projects.
- Smart India Hackathon (SIH) Recognition – Participated in SIH, built an innovative solution, and was recognized by the Chief Guest for contributions.
- First Prize in Spatial Reasoning & Cube Solving – Won 1st prize in a Spatial Reasoning & Cube Solving competition (including Rubik's Cube and 3D visualization challenges) conducted by the Centre for Skill Enhancement, LPU.

EDUCATION
